

LUNEX International University of Health, Exercise and Sports is a young and ambitious private university in Luxembourg attracting students from Europe and beyond. We offer high-quality and innovative teaching and learning in higher education and research.

## Lecturer or Senior Lecturer (f/m) in Sport and Exercise Psychology

We are now expanding our team and are looking to recruit an experienced, enthusiastic and versatile **Sport and Exercise Psychologist** and, depending on qualifications and experience, to work in a full-time permanent position as lecturer or senior lecturer in the Department of Exercise and Sport Science. Additional expertise in **Coaching** is an advantage.

### Candidate's requirements:

Candidates should have a PhD in an area relevant to the position.

**Selection criteria:** In rating competent applicants, the following will be emphasised:

- Relevance and scope of teaching expertise and experience
- Proven strong research track record as evidenced by high quality publications in relevant peer reviewed journals
- Proven excellence of teaching in higher education area
- Successful grant and funding applications
- Other documented qualifications relevant for the position (presentations at scientific events and/or congresses, public communications, etc.)
- Applied knowledge in the translation of the theoretical background of Sport/Exercise Psychology and/or Coaching into the field (athletes, clinical, elderly, children, disabled, etc.)
- Good interpersonal skills and an ability to communicate complex ideas effectively to students using a variety of teaching methods, thereby enhancing the student experience
- High level of spoken and written English language skills (English is the language of tuition at LUNEX University)

A main focus of professional activities will be the delivery of Sport and Exercise Science programmes at undergraduate and post graduate level. The position furthermore requires the development of and participation in interdisciplinary research activities. This position offers an excellent opportunity to take part in the shaping of a young & dynamic university with high ambitions in human health and performance related education as well as research with international and multidisciplinary scope.

We offer a dynamic and stimulating work environment within an international team of experts. We aim to be an equal opportunities employer and welcome applications from all sections of the community.

**Salary will be competitive and commensurate with qualifications and experience.**

Please feel free to contact us via [hr@lunex-university.net](mailto:hr@lunex-university.net) for more information.

**Apply here:**

**ClosingDate: June 15, 2019**

After a pre-selection based on the applications, candidates can be invited for an interview in Differdange (Luxembourg).
