

Qualisys and C-motion Workshop at Fraunhofer TEG.

Qualisys would hereby like to invite you to participate in a one and a half day workshop on **March 24-25th in Stuttgart, Germany.**

The meeting is hosted by Thomas Baechle and Sebastian Klasen at Fraunhofer TEG in Stuttgart (www.teg.fraunhofer.de) with Scott Selbie from C-motion (www.c-motion.com) as one of the key-speakers. The meeting is open to all Qualisys users and to specially invited guests.

Last year's workshop was held in Münster with a very positive turnout ! This year, focus will be on *biomechanical analysis* and Visual3D with key-speaker Scott Selbie Qualisys users and some of Qualisys own software developers will also present.

Agenda overview:

- **First day, Tuesday March 24th from 10.15-17.30:**

Focus on biomechanical analysis in three main areas: *Clinical movement analysis, Sports Performance Analysis, and Biomechanics in research.* In the evening we will enjoy a social dinner together.

- **Second day half day, Wednesday March 25th from 08.45-12.00:**

Focus at hands-on measurement using Qualisys motion capture system and participants get the opportunity to ask questions and get some practical information.

Please note! If you have Visual 3D-files that you would like Scott Selbie to take a look at, then please send us your sample files with questions before *March 15th*. Scott will then have an answer ready for you in time for the workshop. If you approve, your file may also be shown during the meeting.

To register:

- Last day for registering: **Friday March 15th.**
- By e-mail: Send the registration form to mats.kanarbik@qualisys.se.
- By fax: +46 31 336 94 20.

Important! Due to limited space in our facilities we can only accept a maximum of 25 participants this year.

Logistics:

- Closest international airport is in Stuttgart. From Frankfurt airport, 1.15h with train to Stuttgart. www.bahn.de.
- Location meeting place: Nobel Strasse 12, Haupt Eingang
- Hotel: We have reserved a number of rooms. At registration we will provide you with details.

Kind regards

Fredrik Müller / Mats Kanarbik, Qualisys
Scott Selbie, C-motion
Thomas Baechle and Sebastian Klasen at Fraunhofer TEG

Agenda Meeting in Stuttgart 2009

Tuesday 24 March

10.00 – 10.15	Registration and Coffee
10.15 – 10.30	Introduction and presentation of Fraunhofer and the lab
10.30 – 11.30	Use of QTM/Visual 3D - Clinical movement analysis
11.30 – 12.30	Use of QTM/Visual 3D - Biomechanics in research
12.30 – 13.30	Lunch
13.30 – 14.30	Use of QTM/Visual 3D - Sports Performance Analysis
14.30 – 15.45	Qualisys User presentations
15.45 – 16.00	Coffee break
16.15 – 17.30	New and coming functionality in Visual3D and QTM
Around 19.00	Dinner: please do not forget to sign up for dinner!

Wednesday 25 March

08.30 – 08.45	Gathering
08.45 – 10.15	Tips! New and coming functionality in QTM.
10. 15- 10.30	Coffee break
10.30 – 12.00	Hands on test focus on Oqus Qualisys motion capture system additional with Noraxon EMG
12.00	Meeting ends and lunch before you hit the road

Registration

If you would like to attend the meeting, please send an e-mail with the registration form to mats.kanarbik@qualisys.se. You can also fax the registration form to the following number 00 46 31 336 94 20. **Last date for registration March 15th.**

University/Company:

Name:

Address:

Tel/Fax:

Email address:

I will attend both days or one day Tuesday or Wednesday

I will join the evening dinner: Yes No

Please state the area(s) which you would like to be covered in the user meeting:

Please state if you have any specific question for Scott Selbie which will be answered in public:

Adresse **Nobelstraße**
70569 Stuttgart
